C                      G7  
Yankee Doodle went to town,  
C              G7  
Riding on a pony.  
C                      F  
Stuck a feather in his hat

G7              C  
And called it macaroni.  
F  
Yankee Doodle, keep it up.  
C  
Yankee Doodle dandy.  
F  
Mind the music and the step,

C              G7              C  
And with the girls be handy!
